Submission No: .....	92

Dear Committee Secretary

In response to your request for submissions to the House Communications Committee enquiry on the adequacy of radio services in non-metropolitan Australia:

One response was received from a resident stating "Radio Station 6NM is not powerful enough to cover the Avon rural area and is often off air. This has been a problem since Sinclair was Minister years ago."

It is the respondent's hope that this new enquiry will result in some action in this regard.

Yours sincerely

A J MIDDLETON  
CHIEF EXECUTIVE OFFICER
