

SUBMISSION 10

Subject: THE FEDERAL PARLIAMENT SHOULD HAVE FIXED FOUR YEAR TERMS & FIXED FEDERAL ELECTION DATES SO THAT AUSTRALIA KNOWS WHEN THE FEDERAL ELECTION WILL BE & ALL SENATORS SHOULD BE ELECTED AT THE SAME TIME AS THE HOUSE OF REPS!

Dear Members of the Joint Standing Committee for Electoral Matters

Here is my latest submission for you to consider...

There needs to be fixed four year terms in both Houses of the Federal Parliament & fixed Federal Election dates in Australia. In getting fixed four year terms & fixed Federal Election dates the Australian People would know when Federal Elections would be held & having Senators from all Australian States as well as the ACT & the Northern Territory to go up before the Australian People alongside the House of Reps would bring the Federal Parliament into line with the State Parliaments.

Yours Sincerely & Regards

Jason Andrew Toppin
