Child Custody Arrangements Inquiry
H.R. Parliament House Canberra

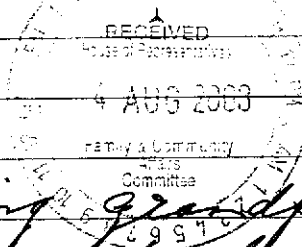

House of Representatives Standing Committee
on Family and Community Affairs

Submission No: 250

Date Received: 4-8-03

Secretary:

Dear Sirs,

As loving grandparents of
Jenna 13, and Jack 9, we are deeply concerned
and hurt by very limited access to our dear
grandchildren, caused by a manipulative
mother, brainwashing the children against their
father and us and by a weak family law court
system.

After all, my wife Anne has worked and looked
after both children from infants to pre-school,
brought them daily to primary school and provided
loving after school care, etc etc.

We demand equal access to either parent
and reasonable access for grandparents.

Rules and regulations to be upheld by a
team of Counsellors, other than lawyers.
