

P.S. I sent the
N.B. letter
early July,
to have it
enough.

House of Representatives Standing Committee
on Family and Community Affairs
Submission No: 1325
Date Received: 15-8-03
Secretary: [redacted]

early August, '03.

Dear Sir,

I sent a letter to the Prime
Minister, the Hon. John Howard
did not have the address, etc. of the
Standing Committee. Received Friday
the letter telling me to write to yourself.

The only comment I wanted
to make re custody of children
is that if children are alternately
at school where one parent lives
& then home to go to stay

where the other parent lives -
it could be very difficult
for the children to get to their
school each day.

Some travel hours from one
parent to the other.
They go to
School in one area - father &
mother, (the other parent, anyway)

has to drive buses
daily to take children
to school, also to
bring them back.

MEANWHILE, the parent has
to go to his/her employment,
place of employment daily &
certainly be unable to arrange
the lives of the children
for their good?

Certainly, there must be
anxiety, amicable ways to
treat all concerned.

I wonder if some
movies, classes could be arranged
for parents who "fall out" -
we need to know how / what to do
to be, for the good of the children &
family.

Yours faithfully [redacted]

Dear Sir,

The letter accompanying this,
is to explain that I sent
