Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

some-one to be "used-up."

I face the following problems ...

Constant behaviour issues

Constant safety issues

Constant violence; threats; damage

I need help with ...

teaching; safety; behaviours; respite

I need someone to show me how to teach my

kids. School teachers have no idea? I can only get
into psych if lucky - yet need weekly advise!!

I think the Government can better help Carers by ...

acknowledging "ASPERGERS SYNDROME"

as ~~the~~^A serious disability + offer support.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
