Dear  
Inquiry Secretary,

Further to my submission on 2nd Attached page under DAY PROGRAMS heading - I should add that if Murray Human Services in Swan Hill was a worthwhile day program for our over 18's, we wouldn't mind sending our young adult to Swan Hill 5 days per week if that was our only option. There is little stimulation at MHS - it is a big comedown from the wonderful work of the Special School in Swan Hill.
