To the Attorney General,

I wish to comment that I do not believe that my information, collected for a particular purpose, ie applying for a credit card or a loan, etc should be used for any other purpose, without my written consent. I find the current system of privacy protection inadequate. Data mining, is an insidious invasion of privacy and should be stopped. I urge you to take firm steps to ensure the privacy of Australians and indeed all individuals , is protected.

Yours faithfully  
Councillor Louise McNamara  
City of Wanneroo  
North Ward.
