Hello,

I wish you to accept the following as my input to the committee.

*My friends and ,I and there are dozens of them, are incensed at the way this country is going;
it's going to the pack!*

And Muslin immigration must be stopped and they must be made to integrate or go home.

*Sir Edmond Barton's ideas from over 100 years ago must be followed or our grand children
will suffer; please see below.*

Yours Faithfully,

The year is 1907, over one hundred years ago....

Sir Edmund Barton's ideas on Immigrants and being an Australian in 1907.

'In the first place, we should insist that if the immigrant who comes here in good faith becomes an **Australian** and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin.

But this is predicated upon the person's becoming in every facet an **Australian**, and nothing but an **Australian**... There can be no divided allegiance here. Any man who says he is an **Australian**, but something else also, isn't an **Australian** at all. We have room for but one flag, the **Australian** flag.... We have room for but one language here, and that is the English language... and we have room for but one sole loyalty and that is a loyalty to the **Australian** people.'
