

Senator Kate Lundy,
Chair

30/3/09

Joint Standing Com. Nat. Cap. & External Territories

Dear Senator Lundy,

We write in the hope that your Committee with
its Review of Policy on Immigration Bridges over
our lake well:

1. Reject the process adopted by IBA to settle the design for the bridge
2. Thoughtfully take into account the heritage values of our lake & its foreshore
3. We users of the lake reject the bridge.
4. Reject the process adopted by IBA to raise funds for construction & maintenance.
5. Examine carefully the approval process required under the ACT. Planning & Land Management ACT 1988.
6. And to join we citizens frankly that the N.C.T. does not approve the application

Yours sincerely,
P. Kaye Beckwith
