Dear Ms Saffin

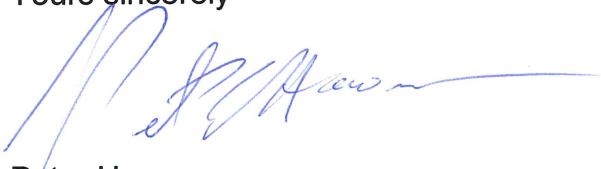

DHA Major Works at Kellyville – Notification of Change

On behalf of Defence Housing Australia (DHA), I write to notify the Parliamentary Standing Committee on Public Works (PWC) of a transcription error in the reported total value of the Kellyville project.

As a result, please delete the figure of \$22.8 million (in paragraph 66 on Page 11) and replace it with the correct figure of \$21.85 million.

I apologise for the error. We continue to work to ensure that your committee is presented with complete, succinct and up-to-date documentation.

Yours sincerely

Peter Howman
