Dear Mr Sherd,

On 28 July 2006, you referred a submission from the ACT Department of Territory and Municipal Services (Submission No 3) in relation to the above proposal, to the Australian Federal Police (AFP) for comment.

The submission, provided by the Community and Infrastructure Services Unit of the Department advises that off-site works for the development are to be carried out to conform to the DUS Design Standards for Urban Infrastructure.

The AFP thanks the Department for its submission confirming that it has no objections to the works proceeding and confirms that the DUS Design Standards will be applied to the design and construction of off-site works.
