

SUBMISSION

I, Lynette Ann Willett of [REDACTED] hereby state that the insurance premium for our complex has risen from \$36,711.36 to \$73,016.78. This increase will result in a substantial rise in our Corporate Body Fees.

As an owner occupier who will be drawing a government pension in the next couple of years find that I am not unable to afford this rise.

Lynette Ann Willett
