**RE: MULTI-ROLE HELICOPTER FACILITIES AT HMAS ALBATROSS,  
NOWRA; RAAF BASE, TOWNSVILLE; ARMY AVIATION CENTRE,  
OAKLEY; AND THE GALLIPOLI BARRACKS, ENOGGERA**

Dear Mr Catchpole

Thank you for the opportunity to comment on the Statement of Evidence for the above mentioned works for the Department of Defence.

A review of the Statement of Evidence to the Joint Parliamentary Standing Committee on Public Works has been carried out for compliance with the *Energy in Government Operations* (EEGO) policy. In consideration of the information provided in the Statement, I am satisfied that there is sufficient intent to comply with the relevant provisions of the EEGO policy with exception to the following consideration:

- At Part B (para. 116), the Australian Greenhouse Office, in the former Department of the Environment and water Resources has formally ceased to exist. Consultation is undertaken with the Department of the Environment, Water, Heritage and the Arts.

If you wish to discuss this matter further, please do not hesitate to contact me on (02) 6274 1734 or at [lloyd.woodford@environment.gov.au](mailto:lloyd.woodford@environment.gov.au).

Yours sincerely
