The Hon Judi Moylan MP

Chair

Parliamentary Standing Committee on Public Works

Parliament House

CANBERRA ACT 2600

Dear Ms Moylan,

**DEFENCE FORCE SCHOOL OF SIGNALS REDEVELOPMENT –
SUPPLEMENTARY SUBMISSION**

I would like to take the opportunity to provide a supplementary submission in response to the Department of Environment and Heritage Australian Greenhouse Office submission “Re: Defence Force School of Signals Redevelopment Simpson Barracks, Watsonia, Victoria” dated 12 January 2007 (enclosure 1 refers).

I thank the Department of Environment and Heritage Australian Greenhouse Office for their comments on this project, and acknowledge the excellent working relationship between Defence and the Australian Greenhouse Office. At the request of the Australian Greenhouse Office, Defence proposes to utilise adequate electricity and water metering for reporting and management of the facilities. Defence will continue to update the Australian Greenhouse Office as to the progress of the works, especially with regard to the commissioning of the energy efficiency measures.

Yours sincerely

William Grice

Brigadier

Director General Infrastructure Asset Development

16 Jan 2007

Enclosure:

1. Department of Environment and Heritage Australian Greenhouse Office submission “Re: Defence Force School of Signals Redevelopment Simpson Barracks, Watsonia, Victoria”
