THE ARTS

16 Motts Lane
Skenes Creek 3033
11 October 2000

Secretary, House Communication Committee,
Parliament House, Canberra

My thanks to the National Transmission Agency for giving
the Apollo Bay area good ABC TV reception via the "Translator" at
Morengo.

It is a terrible pity SBS was not hooked on at the
same time.

Is it possible to improve the ABC Radio reception
in our area please? Particularly at night?

Yours Sincerely,

James T Coakley.
