Dear Sir/Madam

**INTEGRATION OF REGIONAL ROAD AND RAIL NETWORKS & THEIR CONNECTIVITY TO PORTS**

Further to your advertisement on the above. We wish to put our submission relating to concerns in heavy vehicle movements through the Donnybrook town resulting from the increasing traffic relating to the plantation timber industry :

1. *At what stage do governments look at creating highway bypasses for towns?*
2. *Will the government subsidise long term rail transport of plantation resources?*
3. *Does the government have a comprehensive, integrated plan of plantation harvesting and transport?*

If you have any further queries on this matter, please do not hesitate to contact the undersigned on ☎ (08) 9780 4209.

Yours faithfully

**Robert Quinn**
