

## **Appendix 1: Full list of Legislative Instruments received by the committee between 7 and 20 June 2014**

The committee considers all legislative instruments that come before either House of Parliament for compatibility with human rights. This report considers instruments received by the committee between 7 and 20 June 2014, which usually correlates with the instruments that were made or registered during that period.

Where the committee considers that an instrument does not appear to raise human rights concerns, but is accompanied by a statement of compatibility that does not fully meet the committee's expectations,<sup>1</sup> it will write to the relevant Minister in a purely advisory capacity providing guidance on the preparation of statements of compatibility. This is referenced in the table with an 'A' to indicate an advisory letter was sent to the relevant Minister.

Where an instrument is not accompanied by a statement of compatibility in circumstances where it was required, the committee will write to the Minister in an advisory capacity. This is referenced in the table with an 'A\*' to indicate an advisory letter was sent to the relevant Minister.

Where an instrument is exempt from the requirement for a statement of compatibility this is referenced in the table with an 'E'.

Where the committee has commented in this report on an instrument, this is referenced in the table with a 'C'.

Where the committee has deferred its consideration of an instrument, this is referenced in the table with a 'D'.

Where the committee considers that an instrument does not appear to raise any human rights concerns and is accompanied by a statement of compatibility that is adequate, this is referenced in the table with an unmarked square.

The Federal Register of Legislative Instruments (FRLI) website should be consulted for the text of instruments and explanatory statements, as well as associated information.<sup>2</sup> Instruments may be located on FRLI by entering the relevant FRLI number into the FRLI search field (the FRLI number is shown in square brackets after the name of each instrument listed below).
