

## **Additional Comments by Coalition Senators**

1.1 Coalition Senators make the following additional comments on the interim report.

1.2 The Senate Select Committee on Red Tape's motivation in addressing the considerable regulatory burden of environmental red tape on business and industry has identified numerous issues over duplication of regulatory processes, regulatory efficiency, regulatory complexity and regulatory volume.

1.3 Noting that this is an interim report, Coalition Senators will provide additional comments on these issues once the final report has been tabled

**Senator James Paterson**

**Senator for Victoria**

**Senator Slade Brockman**

**Senator for Western Australia**
