# List of recommendations

**Recommendation 1**

**2.62    The committee recommends that any future reviews of and amendments to aviation security regulation be risk-based and fit for purpose, with consideration given to the unique challenges faced by regional and rural airports and the overall diversity of Australian airports.**

**Recommendation 2**

**3.74    The committee recommends that the Inspector of Transport Security complete and publish its review into aviation security training and education as soon as practicable.**

**Recommendation 3**

**3.75    The committee recommends that the Department of Infrastructure and Regional Development develop a framework to ensure that subcontracted screening bodies have appropriate employment standards and provide security training and services consistent with those provided by screening authorities under the Aviation Transport Security Regulations 2005. The framework should take into account any inconsistencies in the training and education as identified by the Inspector of Transport Security.**

**Recommendation 4**

**4.53    The committee recommends that the Australian Government amend the *Aviation Transport Security Act 2004* to make it compulsory for aviation industry participants to report information currently captured under the voluntary reporting scheme.**

**Recommendation 5**

**5.80    The committee recommends that the Australian Government review the feasibility of establishing a centralised issuing authority for Aviation Security Identification Cards.**

**Recommendation 6**

**5.83    The committee recommends that the Australian Government consider the development of a national automatic notification system for aviation-security-relevant offence convictions of Aviation Security Identification Cards holders.**

**Recommendation 7**

**5.88    The committee recommends that the Department of Infrastructure and Regional Development update the committee early in 2018, on progress and outcomes, following implementation of Stage Two of the Visitor Identification Card enhancements.**

**Recommendation 8**

**5.89   The committee recommends the Australian Government consider mechanisms, including legislative amendment, to strengthen the Visitor Identification Card process, incorporating appropriate background checking where appropriate.**

**Recommendation 9**

**6.19   The committee recommends that the Australian Government implement the regional aviation security awareness training package, in accordance with its 2015 commitment.**
