Topic: Home Ownership on Indigenous Lands (HOIL)

Hansard Page: Written

Senator Siewert asked:

Will it meet its initial goals ... and deliver 450 or so individual loans to Indigenous families living on community lands within the next 4 years? Or will its goals be revised?

Answer:

No. In line with the Australian National Audit Office recommendation, Indigenous Business Australia and FaHCSIA are conducting a strategic review of the Home Ownership on Indigenous Land program, including identifying communities that offer the best opportunities for home ownership. This work is being done in conjunction with state and territory governments.
