Question: E11-193

OUTCOME 12: Health Workforce Capacity

Topic: HEALTH WORKFORCE AUSTRALIA (HWA)

Written Question on Notice

Senator Fierravanti-Wells asked:

How many senior executive service positions are there in Health Workforce Australia?

Answer:

HWA is not a part of the Australian Public Service, hence none of its employees are part of the Senior Executive Service. There are six senior executive positions in Health Workforce Australia, which are broadly equivalent to the SES.

The Chief Executive Officer is a full time Public Office holder, under the Remuneration Tribunal arrangements.
