Question No: 45

Topic: Family Relationship Services Program

Hansard Page: 24/2/2011 - CA22

Senator Siewert asked:

Are you aware that some of the services in Victoria commissioned someone to have a look at how they were sharing data across the FRC centres?

If there was a report produced, do you have copy? If anything else came out of this, what was your response, or what will it be?

Answer:

The Department of Families, Housing, Community Services and Indigenous Affairs (the Department) was not aware of any report commissioned by the Victorian Family Relationship Centres Chief Executive Officer (CEO) group. The CEO group has advised that it was an internal project they had commissioned and they had not planned to forward it to the Department.
