2010-11 Additional Estimates Hearings

Outcome Number: 3

Question No: 58

Topic: FaHCSIA funded organisations in Queensland

Hansard Page: Written

Senator Boyce asked:

During questioning before the Committee Mr Riley from your Department was asked a series of questions relating to the numbers and identities of FaHCSIA funded services that had been affected by **both** flood and cyclone events in Queensland.

In Mr Riley's answers on page 36 of the "Draft Hansard" of those proceedings he gave details that would appear to be **only** referring to FaHCSIA funded services in and I quote, "*cyclone affected areas in Queensland*".

Could the Department clarify those answers by detailing **all** FaHCSIA funded organizations affected in **any way** by **both** flood and cyclone events in Queensland.

Could the Department provide details of the way in which they were affected, their names and locations under two headings, "Flood Affected" and "Cyclone Affected"?

Answer:

Approximately 1,400 FaHCSIA funded services are located in the flood and cyclone affected regions in Queensland.

The attached spreadsheets detail the FaHCSIA funded services affected by the floods and the cyclone at 25 February 2011.
