Hansard Page: 16/02/2012 - CA31

Senator Payne asked:

What sort of opportunity will there be in the SHI review process for discussion of issues such as the Narooma site?

Answer:

Detailed analysis of each project built under the Social Housing Initiative will not be considered in the review. However, in considering each state and territory's approach to procurement, planning and design, specific projects may be identified by the jurisdictions as examples of that jurisdictions' approach.
