Hansard Page: Written

Senator Cash asked:

The National Plan will be implemented through four three-year plans, with the “First Action Plan: Building Strong Foundations” for 2010–2013 published in this plan. The First Action Plan is supposed to be the groundwork for the National Plan, putting in place the strategic projects and actions that will drive results over the longer term while also implementing high-priority actions in the short term.

Provide an update on what actions are happening as regards this phase of the National Plan? http://www.fahcsia.gov.au/sa/women/progserv/violence/nationalplan/Documents/national_plan.pdf.

Answer:

An update on the National Plan is in the September 2011 edition of Parity. Article attached.
