Hansard Page: Written

Senator Cash asked:

Was delegate Lynette Mayne, CEO of Work Wear, the female entrepreneur who was part of the Government delegation attending the APEC Women and the Economy summit in San Francisco last September, required to submit a report on her visit?

If yes, provide a copy of the report? If not, why not?

How was Lynette Mayne selected to attend the conference? What was the selection process?

Answer:

Ms Mayne was not subject to any specific reporting requirements by the Australian Government due to her attendance as a private sector delegate who participated at her own expense. Ms Mayne was selected to attend the conference on the advice of Austrade.
