Question No: 84

Topic: Family Tax Benefit

Hansard Page: 14/02/2013 CA24

Senator Cash asked:

How many families received the Family Tax Benefit Part B supplement in 2012?

Answer:

There are 1,383,000 families who received Family Tax Benefit (FTB) Part B supplement in 2012.

This number does not include families whose entire FTB Part B supplement was used to offset any overpayment of FTB identified during reconciliation of the relevant entitlement year. As a result, these families did not directly receive a FTB Part B supplement but did benefit from their entitlement to the FTB Part B supplement.
