Senator Rhiannon asked:

What government agencies have adopted some measures in relationship to UN Security Council resolution 1325, what have they done and how far advanced is it?

Answer:

A list of Government agencies with responsibilities under the National Action Plan on Women, Peace and Security is available on the FaHCSIA website.

A progress report on the first two years of implementation is required to be tabled in Parliament in 2014.

Australia's progress on this matter is considered well advanced internationally.
