Can information be provided as to what the Government is doing about no action approach being taken towards income management in Playford, SA?

Answer:

As a part of the implementation of income management in Playford, specialist Commonwealth Department of Human Services staff (Zone Income Management Coordinators and Government Action Leaders) have been engaging with stakeholders within the community to ensure they are given accurate information about income management. These consultations have been ongoing since September 2011 across all place-based locations.
