Senator Siewert asked:

How many students from the APY Lands completed a period of work experience at Ayers Rock Resort in 2012? Is this number set to increase in 2013 and, if so, by how much? How many of those students have secured an ongoing position (employment or traineeship) at the Ayers Rock Resort?

Answer:

Forty five students from the APY Lands completed a period of work experience at Ayers Rock Resort (ARR) in 2012. A further two students participated in the work exposure program in 2012.

ARR is currently developing the APY work exposure and work experience program for 2013. It is expected to increase the numbers of students undertaking the program in 2013.
