Senator Claire Moore  
Chair  
Senate Community Affairs Legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Senator

**Correction of evidence to Additional Estimates Hearing**  
**14 February 2012**

I am writing to correct a piece of evidence to the Committee during its examination of the Department of Families, Housing, Community Services and Indigenous Affairs in relation to Outcome 6: Women.

In answering a question from Senator Brown regarding the Australian Institute of Company Directors Board Diversity Scholarship Program, I said that 1.7 per cent of the 2012 scholarship recipients self-identified as having a disability.

The percentage is incorrect and is actually 1.4 per cent.

Yours sincerely
