

Senate Community Affairs Committee

ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH PORTFOLIO

Additional Estimates 2013 - 2014, 26 February 2014

Ref No: SQ14-000132

OUTCOME: 1 - Population Health

Topic: Wind Farms

Type of Question: Written Question on Notice

Senator: Madigan John

Question:

Is it accepted that standards such as those relating to noise limits should be subject to review over time, especially where there is sufficient feedback from proximal communities that even conformity with those standards is still causing significant negative impacts on residents?

Answer:

The National Health and Medical Research Council cannot answer this question as it is the responsibility of state and territory governments.
