Senator Ludwig asked:

How many times were the last 20 FOI requests PDFs which were made available on the website downloaded?

How often have the FOI requests only available by email request been sent?

Answer:

There has been a total of 278 downloads of the last 20 FOI requests on the Department of Social Services website.

The Department makes PDF versions of documents available on the disclosure log. The FOI Team has never been asked to provide, by email, copies of documents previously released.
