Senator Boyce asked:

Can we get information on the scope of the NDIS KPMG review and the work that has been done which feeds into the report back to COAG.

Answer:

The KPMG review under Deed of Standing Offer 127074-33, Purchase Order 90003510, focussed on key elements of the Board's strategic planning including operational matters, detailed planning for transition to full scheme, and the strategic approach to support the development of the disability services sector and workforce. The scope of the readiness component includes trial sites in the ACT, NT and Western Australia (excluding the *My Way* site).
