

Australian Government

Australian Institute of Family Studies

Senator Sue Boyce
Chair
Senate Community Affairs legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Senator

**Correction of evidence to Supplementary Budget Estimates Hearing
27 February 2014**

I am writing to correct evidence provided to the Committee during its examination of the Australian Institute of Family Studies.

In answering a question from Senator Carol Brown regarding The Australian Temperament Project, I said:

The NHMRC has just funded the third generation study.

However, I should have said the ARC has just funded the third generation study.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Alan Hayes'.
