Topic: National Plan to Reduce Violence against Women and their Children

Hansard page: 112

Senator Waters, Larissa asked:

Can you enumerate for me if there are any of those other actions whereby the funding commitment is either nil or limited, given that that is perceived to be another organisation's responsibility?

Answer:

Funding for some actions is the primary responsibility of state and territory governments. This includes crisis services, domestic violence death reviews, and policing responses to domestic and family violence and sexual assault.
