Senator Moore, Claire asked:

How much was expended by the Department on renovations in 2014? How much was spent on art? How much was spent on office furniture?

Answer:

The Department spent \$685,028.90 on office fit outs in the 2014 calendar year, not including the associated cost of furniture. The Department spent \$291,708.13 on office furniture in the 2014 calendar year. Much of this relates to furniture associated with the fit outs.

The Department is unable to provide an accurate figure for expenditure on art in the 2014 calendar year as it does not have a specific general ledger code for art.
