Senator Brown, Carol asked:

In relation to the bridging funding, please provide a list of organisations who were offered but did not accept bridging funding for each outcome, program activity, sub-activity and component by:

2. Electorate
3. Local Government Area

Answer:

As at 26 March 2015, 32 organisations have declined to accept extensions to their funding agreement.

2. & 3. As service areas are mapped in line with the Australian Statistical Geography Standard, not by Electorate or Local Government Area, the data is provided at state and activity level.
