**Outcome Number:** Cross

**Question No:** SQ15-000338

**Topic:** Grant Agreements

**Hansard page:** Written

**Senator Moore, Claire** asked:

Please provide a list of all executed grant agreements from the recent funding round, including the total funding for each grant and the programme or programmes they are being funded under. Also indicate whether they have been previously funded.

**Answer:**

Please refer to the list in Attachment A, which shows executed agreements as published on 26 March 2015.

The broadbanding of programmes undertaken through the 2014-15 Budget streamlined DSS's programmes and grants. As such, comparison of previous funding for individual organisation's at the grant level is not possible.

However, DSS can report that a total of 2,679 organisations applied for funding as part of the recent funding round. Of these, 1,511 are currently funded through DSS programmes (excluding childcare programmes).
