Outcome Number: Cross Outcome - Across Programmes Question No: SQ16-000088

Topic: Grants

Hansard page: Written

Senator Claire Moore asked:

Can you please provide the amount of the reduction in funding that has occurred in each state as a result of cuts to the community grants program announced since the government was elected in 2013.

Answer:

To provide information in regards to the reduction in funding in each state would require an unreasonable diversion of resources, as service areas do not align with state boundaries.
