

**Senate Community Affairs Committee**  
**ANSWERS TO ESTIMATES QUESTIONS ON NOTICE**  
**SOCIAL SERVICES PORTFOLIO**  
**2015-16 Additional Estimates Hearings**

**Outcome Number: Cross Outcome - Across Programmes      Question No: SQ16-000187**

**Topic: Grants**

**Hansard page: 7**

**Senator Claire Moore** asked:

Can you reissue me a list of the organisations that received funding out of the two subsequent rounds and also, if possible, which electorates they were in?

**Answer:**

See Attachment A which provides a list of organisations which received service gap funding by activity and by announcement.

The service gap funding process was organised based on Statistical Areas to provide consistency. These groupings do not always align with electoral areas. To provide this information would require an unreasonable diversion of resources as funding is based on service areas not on electorate.
