Senator Carol Brown asked:

I now want to ask some questions about the government response to the grandparents raising grandchildren report. First of all, I wonder how many times the government response to this report by the Senate Community Affairs References Committee was submitted to the minister's office of reconsideration? Can you let me know whether it went to Minister Morrison. My question is whether it was sent to Minister Morrison's office and/or Minister Porter's.

Answer:

Yes, it was sent to Minister Morrison. Yes, it was sent to Minister Porter. The government response was tabled on 15 January 2016.
