Answer:

In 2016-17, the Department of Health is providing funding for 164 individual grants to 118 organisations under the former Non Government Organisation Treatment Grants Program.

As at 31 March 2017, 27 projects delivered by 16 organisations are currently funded under the former Substance Misuse Prevention and Service Improvement Grant Fund.

This does not include organisations funded under the former Substance Misuse Service Delivery Grant Fund.

All of the funds listed above are now combined in the Drug and Alcohol Program.
