Question:

Suicide prevention grants

Apart from the national leadership initiative are there any other suicide prevention grant rounds? If yes:

- a) What is the total funding for the grants and can a list of successful recipients be provided by state and territory.
- b) When will there be an announcement?

Answer:

With the exception of the National Suicide Prevention Leadership and Support Program, the Department of Health is not currently running any other grant funding rounds for suicide prevention activities at this time.
