**Senator Siewert** asked:

Can you advise whether there is any issue with the people from Peel accessing Parenting Support given the lack of case workers in this area?

**Answer:**

This program is the responsibility of the Western Australian Government and detailed information can be obtained from the Western Australian Department for Child Protection. However, the Department of Families, Housing, Community Services and Indigenous Affairs has been advised by the Western Australian Department for Child Protection that there are no issues with people accessing Parenting Support.
