Topic: Commission of Audit

Hansard Page: Written

Senator Brown asked:

Is the Department continuing to work on development of proposals contained in the Commission of Audit? If so, which ones? Are they all under active consideration? Are there any proposals the Government has ruled out?

Answer:

On 13 May 2014, the Treasurer and the Minister for Finance set out the Government's response to the Commission of Audit (www.financeminister.gov.au/media/2014/mr_2014-46). The department is continuing to work on issues identified in this response which are within its portfolio responsibilities.
