**Hansard Page: Written**

**Senator Bishop** asked:

Would you agree that Western Australian NRAS submissions in Round 5 included a better mix of inner city and middle ring suburbs or in other words, suburbs are usually more costly in term so of rents, that have better public transport links, are closer to services, schools, etc.?  
a) Is this true in other states?

**Answer:**

As the assessment process was not completed, the Department cannot comment on specific applications submitted under the Round.
