Outcome Number: 4

Question No: 104

Topic: National Rental Affordability Scheme

Hansard Page: CA19-20, 5 June 2014

Senator Bishop asked:

Which NRAS regulations control the process for the relocation of incentives to alternative locations?

Answer:

Regulation 20 of the *National Rental Affordability Scheme Regulations 2008* controls substitution of one dwelling for another.

Regulation 21A of the Regulations controls changes to the location, style, size or special attributes (if any) of a dwelling in relation to an offer of reservation of allocation (that is, changes in respect of dwellings yet to be delivered into the scheme).
