Senator McLucas asked:

Have applicants from previous NRAS rounds whose projects have not yet been delivered been notified of the budget decision? What advice have they been given?

Answer:

The Department wrote to all Round 5 applicants on 5 June 2014, outlining the Budget decision. Many of these applicants were existing Approved Participants.

The Department also updated its NRAS webpage and FAQ page on that webpage with respect to the Budget decision. The update went live on the Department's website from 14 May 2014.
