Topic: National Rental Affordability Scheme

Hansard Page: Written

Senator McLucas asked:

Since the budget decision, how many NRAS incentives have been withdrawn from:

- Round 1?
- Round 2?
- Round 3?
- Round 4?

Answer:

Since 13 May 2014, three dwellings have been withdrawn from NRAS: one from Round 2 and two from Round 4. One of these three dwellings was sold, and the other two were withdrawn due to not being able to meet delivery timelines. In all three cases, the dwellings were withdrawn at the request of the Approved Participant.
